

201, Governor's Honors Academy Superintendent's Recommendation

BUa Y'cZ7ci bhm

NOTE: Fifteen (15) career-technical students are chosen statewide for the Academy. Please place C-T beside the name of students who are in a career-technical course of study that will result in CT certification in that area. This does NOT mean students who may be taking a c/t class as part of their career major track. These 15 slots are specifically for career-technical students. When students are of comparable quality, please try to represent all schools in the county. When selecting students, try to be equitable across schools unless there is a serious breach in the quality of applicants.

The County Selection Committee reviewed all nominations received from principals and selected one male and one female as Superintendents Selections. Applications of alternates for the statewide pool are also included. These selections are listed below.
