**2018 West Virginia Governor's School STEM Institute**  
 Superintendent's Recommendation Form  
 Postmark deadline: April 24, 2018

This is a fillable form. Simply type in the fields, print and sign.

County selection teams are to recommend students in rank order according to grade. One student from your county is guaranteed a slot at the Governor's School for Math and Science. The selection committee will strongly consider your top choices in each grade. In many instances, there may be more than one student from a county, but there is no guarantee about the grade of the student selected. **Eighth-grade students who attended GSMS 2017 are not eligible to attend GSI 2018.** Please follow the guidelines in the chart below regarding the number of students to be nominated.
