

Being part of GSE is not a solitary endeavor. One of the primary aims of the GSE is to gather students from all over West Virginia to create teams to invent, create a business, and pitch their ideas to a judges and other large audiences.

The community that will comprise GSE will be excited and exciting; motivated and motivated; inspired and inspiring. When immersed in a creative space with the tools they need to unleash their entrepreneurial spirits, the Young E's will open everyone's eyes and fill their hearts with hope for West Virginia's future. We refer to the Young Entrepreneurs as Young E's. Perhaps by July 11, you will be adding that title to your name.

Good luck!

Teacher/Principal Recommendations

Deadline for Submission—March 30, 2020

You must have an official transcript and letters of recommendation: one from a teacher and one from a principal in your school as stated on page 1.

The teacher who is writing your recommendation should fully address your qualities as a student, independence of thought, as a potential problem solver, and as a potential business leader.

The principal letter simply states that you are a school citizen in good standing with good attendance. If he/she wishes to add more, that is acceptable but not necessary.

After the letters are returned to you, place them after your transcript.

PRINT AND GIVE THIS TO THE TEACHER YOU ASK FOR A SIGNED RECOMMENDATION. The student evaluation/recommendation should be typed in 12-pt. type, preferably on school, business, or personal letterhead. It should discuss how the student demonstrates the following qualities: ability to work cooperatively and meaningfully in groups; openness to new and diverse situations; creativity; social maturity; independence of thought; self-direction; school citizenship; comparison to other students in your class this year; personal qualities that might make it easy/difficult for the named student to adjust to an intensive residential experience. Please *sign* it give it to the student so that he/she can mail it with the rest of the packet.

Tips and Suggestions

Let the person you ask know that this recommendation is important to you and what participation in this program would mean to you personally. When asking for a recommendation:

1. Please give the adult you ask AMPLE time to complete the recommendation.
2. Be sure to select adults who know your thinking skills and talents, and who are impressed with you personally.
3. When asking a teacher, select one who gives you detailed, written feedback on tests, papers, homework grades, reports, etc. These teachers are more likely to make an extra effort in completing your recommendation.
